VOICE OF PSC

Tomorrow @ 1 p.m.
How To Boost Your Happiness?

Have you ever been called a high achiever?
Do you notice your inner dialogue is annoyingly
filled with negative thoughts? You're not alone!

Tomorrow you'll learn why high achievers with
scores of obligations and worries often find it
particularly challenging to manage their mental
state and what can be done about it.

“A” IS FOR ACCESSIBILITY

DEIA = Diversity, Equity, Inclusion, and Accessibility

Accessibility: making information, activities, and environments fully usable by and useful to all people

Accessibility

Consider accessibility of:

- Our careers & job roles
- Our facilities & programs
- Our science & technology

Equitable Opportunity

Questions to ask:

- Who can't fully access this?
- Why? (What are the barriers?)
- How will I make it accessible?

QUESTIONS?
